1. Introduction

Welcome to the **Hackathon Registration User Guide**. This guide is designed to help new users navigate the registration process smoothly. Whether you're an individual participant or part of an organization, this step-by-step guide will walk you through account creation, and hackathon registration. Get ready to showcase your innovation and make the most of your hackathon experience on APIX!

2. Navigation to the Hackathon Landing Page

You can access the hackathon through any of the following methods:

1. The URL shared in your invitation email.
2. The URL available on the organizer's official website.
3. By visiting the hackathon listed on APIX Platform's live challenges page.
4. Direct links shared via the organizer's official social media channels.

Choose the method that works best for you and get started with the hackathon!

3. Hackathon Landing Page

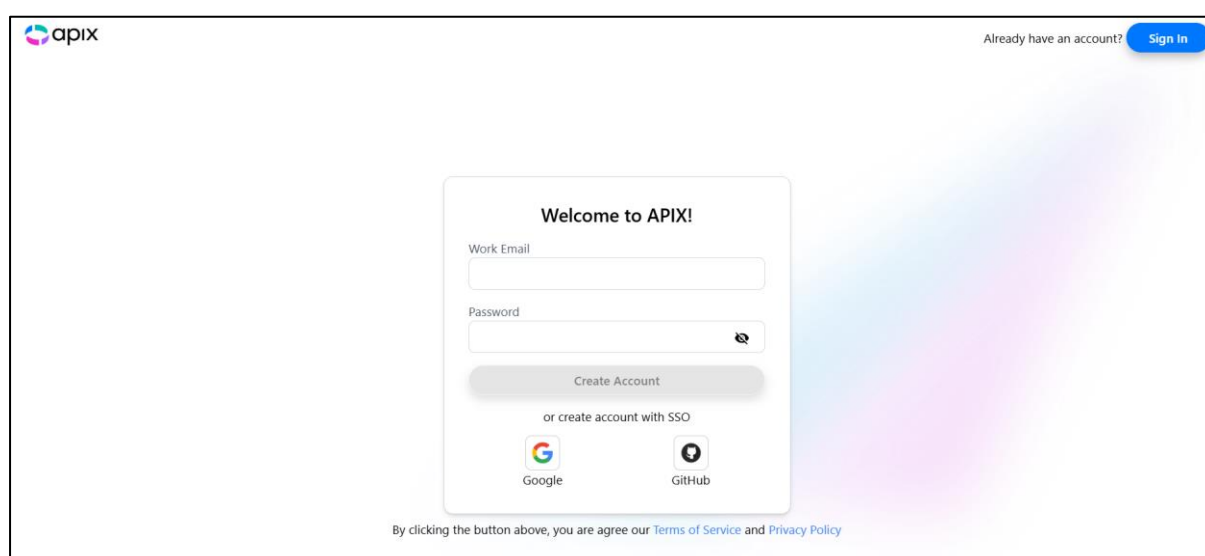

On the hackathon landing page, you will find two options to register:

1. **New to APIX – Register:** If you're new to APIX and don't have an existing account, click on this option. You'll be directed to the Sign Up screen to complete the onboarding process and create your account.

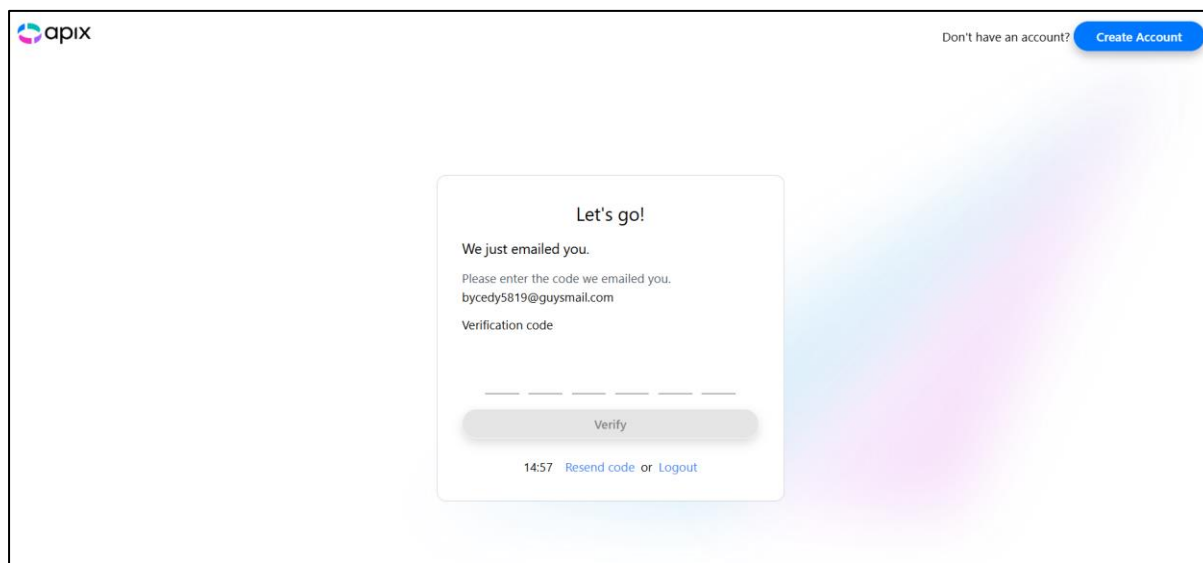

2. **APIX Member – Register:** If you're already a registered member of APIX, click on this option. You'll be taken to the Sign In screen to log in to your account and proceed with your registration.

4. New to APIX – Register:

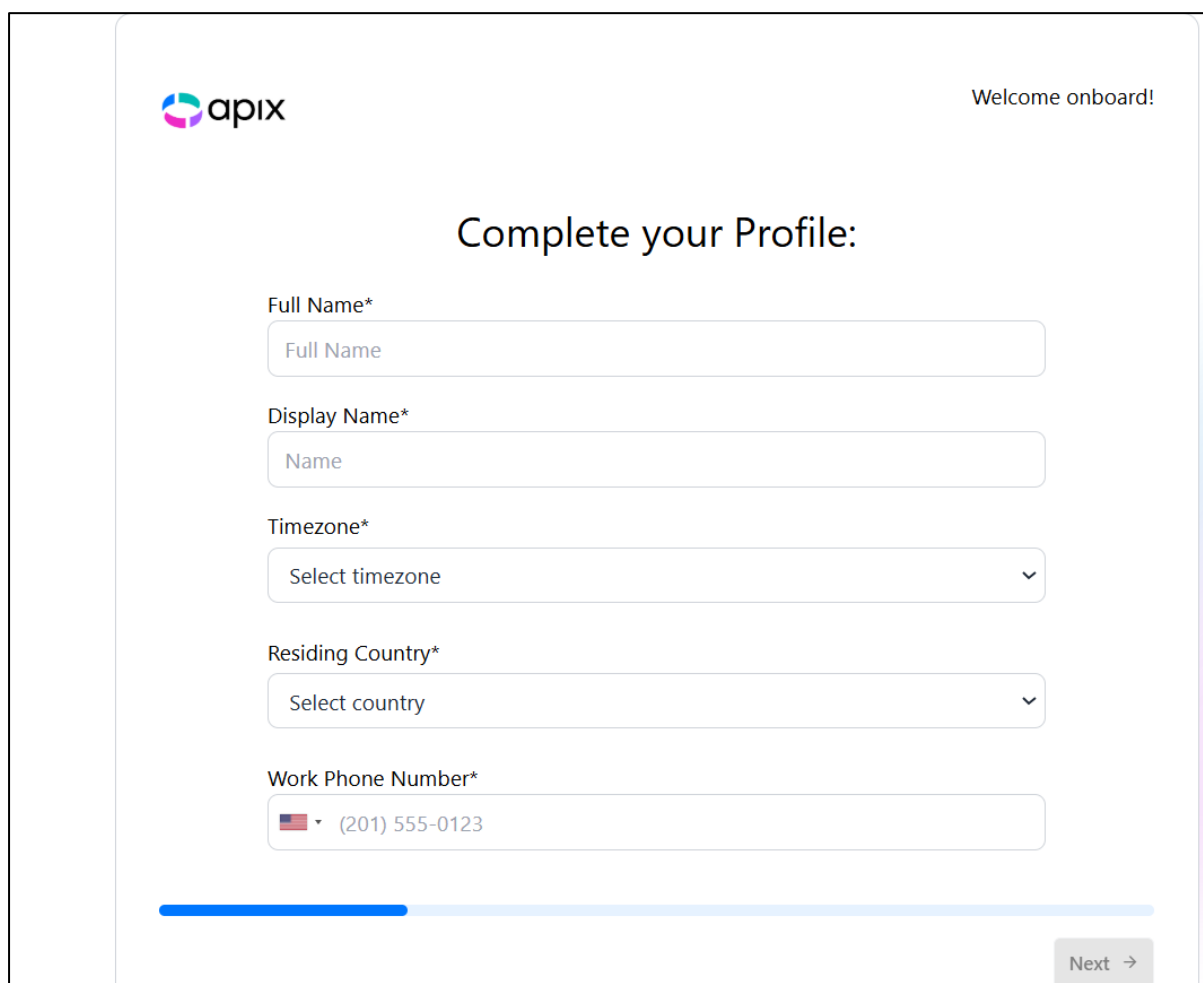

1. Click on "**New to APIX – Register**" to begin the onboarding process. You will be redirected to the **Sign Up** screen, where you can complete your registration and create a new account.

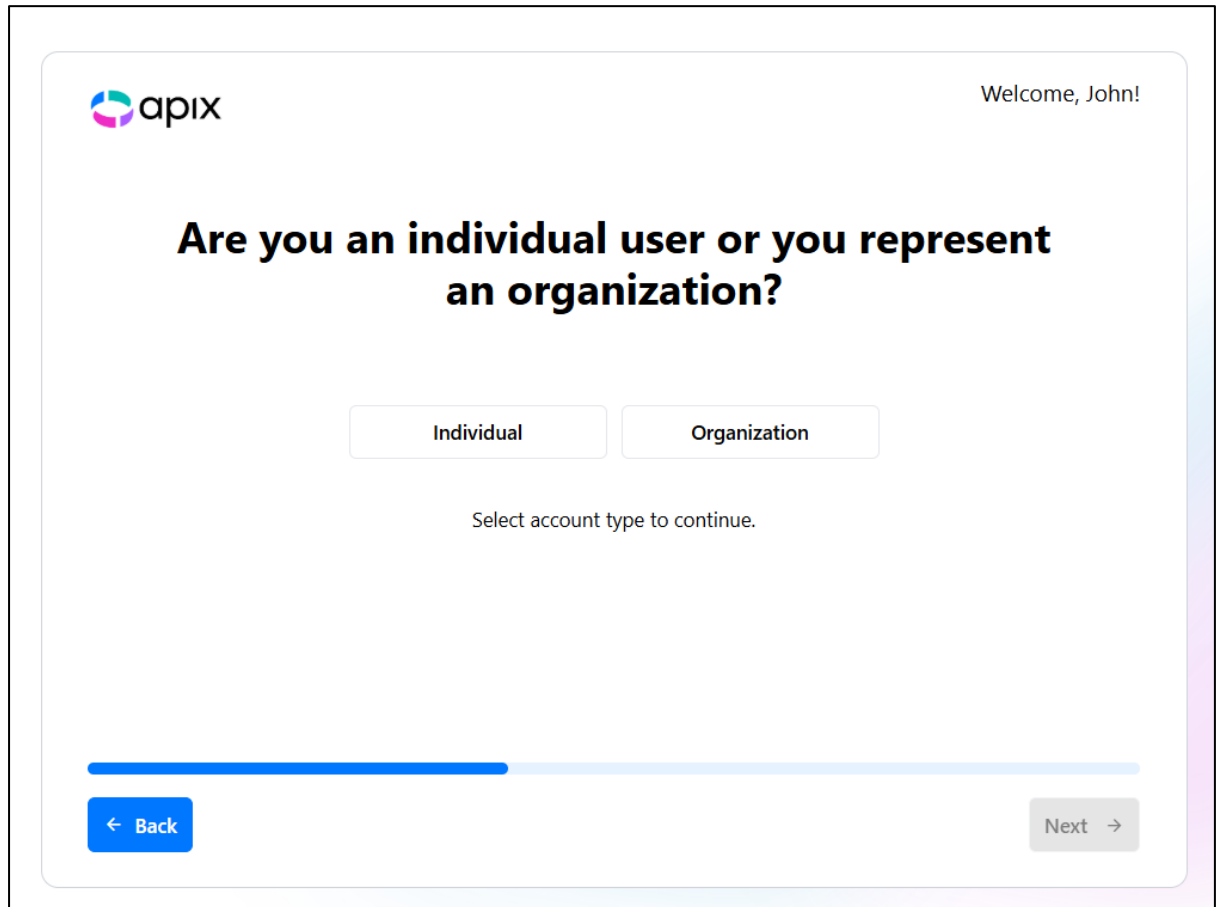

2. On the **Sign Up** screen, enter your **work email address** and **password**, then click **Create Account**.

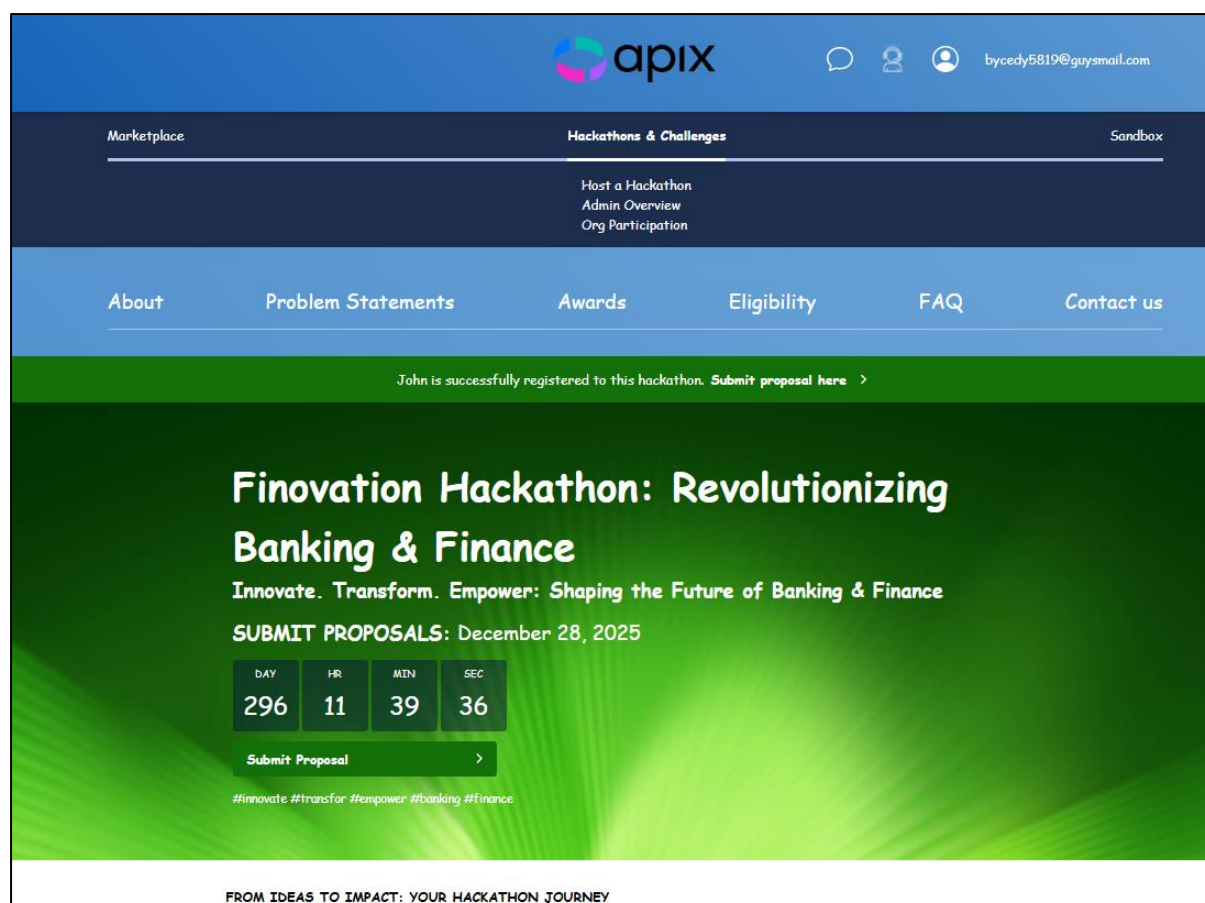

3. Check your **work email** for an authentication code and enter it in the provided field.
4. Click **Verify** to validate your email.

5. Fill in all the **required details** and click **Next**.

6. Select your **account type** to continue the onboarding:
 - a. **Individual:** If you're an individual (developer) and don't represent an organization, click on **Individual**.
 - b. **Organization:** If you represent an organization, click on **Organization**.
7. After selecting your account type, click **Next**.
8. If you selected **Individual**, your account will be created, and you will automatically be logged in. You'll be directed to the hackathon landing page, where your registration for the hackathon will be confirmed.
9. If you selected **Organization**, you will need to enter the organization details. Once you've entered the details and clicked **Next**, your account will be created, and you'll be directed to the hackathon landing page, confirming your registration.

On the hackathon landing page, you will see the following:

1. A **message** confirming that you have successfully registered for the hackathon.
2. A **Submit Proposal** button (CTA), which will be available if the **Proposal Submission** stage is currently in progress. You can submit your proposal on clicking on the CTA.

Additional Notes:

For technical issues such as the page not displaying or the buttons not working as intended, take a screenshot by pressing (Windows Key+Shift+S) and send it to support@apixplatform.com . Press (Command Key+Shift+5) for a screenshot for MAC users.

Describe the issue you are facing and attach the screenshot to the email before sending out the email. The support team will get back to you within 1-2 working days.
